To whom it may concern,

Intermediate Unit 20 (entity number 125917) are seeking a waiver for the following form 471 applications as they were submitted outside of the filing window which closed on May 11, 2017.

171041393

Application 171041393 was completed but not certified in time and as you can see. This was an oversight on my behalf. I prepared the application and I was rushing to complete the other applications and I must have just forgot to certify it. I also received the necessary approval very close to the deadline so I was unable to prepare it at an earlier date.

Thank you very much for your time and consideration on this matter.

If you have any further questions please feel free to call or email me.

Sincerely,

Jamespeter Hinkle
